

Status of Accreditation for ISO14001 Certification / Scope of Data

Status of Accreditation for ISO14001 Certification

(as of July 2001)

Company or Site		Original Approval
Yokogawa Electric Corp., Japan	Kofu Plant	July 1997
	Headquarters	Feb. 1998
Yokogawa Electronics Manufacturing Corp., Japan	Akiruno plant (former Yokogawa Fine Technology Corp.)	Feb. 1998
	Mie plant (former Yokogawa Flowtech Co., Ltd.)	Aug. 1998
	Fukushima plant (former Yokogawa Electronics Co., Ltd.)	Sep. 1999
	Nagano plant (former Yokogawa Precision Corp.)	Nov. 1999
Kokusai Chart Corp., Japan		Jan. 1999
Yokogawa Trading Corp., Japan		Feb. 1999
Yokogawa M&C Corp., Japan		Apr. 1999
Yokogawa Rental & Lease Corp., Japan		May 1999
Yokogawa Engineering Service Corp., Japan		Feb. 2000
Yokogawa Denshikiki Co., Ltd., Japan		Nov. 2000
Suzhou Yokogawa Meter Co., People's Republic of China		May 1998
Yokogawa Electric Asia Pte. Ltd., Singapore		Oct. 1998
Yokogawa Shanghai Instrumentation Co. Ltd., People's Republic of China		Mar. 2000
P.T. Yokogawa Manufacturing Batam, Indonesia		Apr. 2000
Yokogawa Sichuan Instrument Co., Ltd., People's Republic of China		Dec. 2000

NOTE: The above listed sites include the following affiliated firms or their divisions.

Yokogawa Analytical Systems, Inc., Yokogawa Infotech Corp., Yokogawa MAT Corp., Manufacturing Dept. 2 inside Ome plant of Yokogawa Electronics Manufacturing Corp. (former Kofu plant of Yokogawa Ibsiden Components Corp.), Yokogawa Graphic Arts Corp., Yokogawa System Engineering Corp., Yokogawa Pionics Co., Ltd., Yokogawa Human Create Corp., Facility Management Service Div. of Yokogawa Management Service Corp. (former Yokogawa Facilities Corp.), and Accounting Service Div. of Yokogawa Management Service Corp. (former Yokogawa Financial Service Corp.)

Scope of Data

- This report is based on data from the 16 sites listed in the table above excluding Yokogawa Sichuan Instrument Co., Ltd.
- The data from each site is as of March 2001 and the Employees indicates the number of resident personnel for each site including part-time and contract workers.

Company or Site	Functions	Employees	Main Scope of Business (Products)
Headquarters, Yokogawa Electric Corp., Japan	Headquarter function, research and development, engineering, manufacturing, sales, and servicing	5,276	Process measuring equipment and control systems, analytical instruments, information equipment, aerospace instruments, LSI testers, power supply units
Kofu Plant, Yokogawa Electric Corp., Japan	Engineering and manufacturing	1,044	Measuring instruments, transmitters, recorders, and analytical instruments
Yokogawa Fine Technology Corp., Japan	Engineering, manufacturing, and sales	396	Sheet-metal working, surface treatment, molds, dies, and manufacturing facilities
Yokogawa Flowtech Co., Ltd., Japan	Manufacturing	127	Various flowmeters, detectors, and transmitters
Kokusai Chart Corp., Japan	Engineering, manufacturing, and sales	180	Recording charts, recording pens, and circular chart recorders
Yokogawa M&C Corp., Japan	Engineering, manufacturing, and sales	218	Measuring instruments, measuring and control equipment, energy-efficiency support goods
Yokogawa Electronics Co., Ltd., Japan	Manufacturing	389	Power supply units, industrial equipment, various electronic instruments
Yokogawa Precision Corp., Japan	Engineering, manufacturing, and sales	407	Presentation machines, DD motors, laser wavelength measuring instruments
Yokogawa Rental & Lease Corp., Japan	Rental and leasing	271	Rental/lease and entrusted calibration of measuring instruments and data processing equipment, and entrusted measurement
*Yokogawa Trading Corp., Japan	Procurement and import/export agency services	112	Procurement of parts and materials from domestic and overseas vendors
*Yokogawa Engineering Service Corp., Japan	Repair, calibration, and servicing	746	Repair, calibration, and system services for measuring, control, and data processing equipment
*Yokogawa Denshikiki Co., Ltd., Japan	Engineering, manufacturing, and sales	344	Kitchen equipment, navigational instruments, security and data communication equipment
*Suzhou Yokogawa Meter Co., People's Republic of China	Manufacturing and sales	545	Electronic instruments
*Yokogawa Electric Asia Pte. Ltd., Singapore	Engineering and manufacturing	275	Process measuring equipment and control systems
*Yokogawa Shanghai Instrumentation Co. Ltd., People's Republic of China	Manufacturing and sales	90	Flowmeters and transmitters
*P.T. Yokogawa Manufacturing Batam, Indonesia	Manufacturing	743	Power supply units

* Sites added from last year's report.
