EU DECLARATION OF CONFORMITY

We, Yokogawa Electric Corporation
2-9-32 Nakacho, Musashino-shi, Tokyo, 180-8750 Japan

declare under our sole responsibility that the product identified as:

<table>
<thead>
<tr>
<th>Model Code</th>
<th>Suffix Code</th>
<th>Model Name</th>
</tr>
</thead>
<tbody>
<tr>
<td>FLXA402</td>
<td>'Type': AB</td>
<td>4-Wire Converter</td>
</tr>
</tbody>
</table>

*) This EU Declaration of Conformity is limited to the product including this suffix code.

further specified with model suffix and option codes:

as listed in General Specification: GS12A01F01-01 EN (Ed.1)
(See Appendix 2 for additional information.)

is in compliance with the EU law and legislation providing for the CE-marking, as listed in Appendix 1.

Information relevant to the conformity and identification of these Products is provided in Appendix 2, Appendix 3 and Appendix 4.

Subject products are:
• Produced according to appropriate quality control procedure.

---

Appendix 2

In case the product model code contains the code “Z”, it means that the product is produced with a customer specific modification. Such customer specific modifications never affect to the conformity of the product. Any such product - in case produced after the date of signing this document by the Manufacturer - is also in scope of this EU-Declaration of Conformity. The code “Z”- specific application notes and Serial Numbers of Products subject to this modification are listed in a dedicated document, of which original is a part of the Technical Documentation. A copy of that document is accompanying each product at delivery.
The accessories in the list below have CE-marking significant compliance relevance, as indicated per EU-Directive; their application and use – as described in **IM 12A01F01-01EN** – is supported by this EU Declaration of Conformity. The full list of accessories for this product can be found in **IM 12A01F01-01EN**.

**Indications**: ‘C’ = The accessory conforms to the Directive as a part of the product.  
‘R’ = The accessory is relevant to the conformity of the product as a part of the product.  
‘NS’ = The accessory does not support the Directive.  
‘NR’ = The accessory is not relevant to the conformity of the product.
