

Certificate Of Compliance

This is to certify that the:

ProSafe-RS

Manufactured by:

Yokogawa Electric Corporation

Is in compliance with the requirements set forth by:

Achilles Level II Certification

As determined through certification testing conducted by:

exida Certification Services

This certificate is restricted to the specified version of the referenced Device (including model number, hardware/firmware/software version, and control protocols) set forth in this Certificate. Any change to the Device might impair the Device's ability to pass the standards referenced in this Certificate. This Certificate is based upon limited testing, and is not a complete or comprehensive certification of the security of the Device. The Device may contain security vulnerabilities and deficiencies that are not covered by the standards referenced in this Certificate. This Certificate is subject to revocation by Wurldtech Security Technologies Inc.

More information regarding this Certificate and the Achilles Level I Standard is available at www.wurldtech.com and upon request from Wurldtech Security Technologies Inc.

CERTIFICATE NO. CERT-158-240114

SCP461-11

MODEL NUMBER

Vnet/IP Firmware R18

FIRMWARE VERSION

N/A

CONTROL PROTOCOL

Embedded Device

CATEGORY

A handwritten signature in black ink, appearing to read "Nate Kube".

Nate Kube, CTO
